LETTER FROM THE EDITOR

JAN 31, 2024

Dear readers,

This year was full of learning and majestic for all of you. Life gives number of chances to all of us for becoming the improvised version of ourselves. There is nothing like winning or losing, superior or inferior, the nature always has something better for each individual. So let's define your individuality, let's cherish some of such individuals of our institute.

Make memories and leave nothing but the footprints in the institution

Sincerely,
